July 2019

Dear Parents,

**Registration for the
2019 Fall Before /After School Program is currently underway!**

CELC's School Age Program follows the Cincy After School Curriculum. It is designed to support the healthy development of children by building strengths and meeting the needs of the whole child. The curriculum achieves these goals through engaging students and their families in balanced activities aligned with Ohio Academic Standards."

Our School Age curriculum focuses on: Building relationships with students as the foundation; Creating supportive environments as the key to proving learning and growing experiences; and connecting to programs and learning practices that foster growth.

Our Program provides: daily afternoon snack, physical activities, outdoor play, seasonal parties, arts & crafts, science activities, and dramatic play. Children also have the opportunity to work on their homework as well as have free time to socialize in a supervised, safe environment. Children who attend Twinsburg City Schools are transported to Creative Early Learning Center by Twinsburg City School buses.

Our **Before School Program** offers children free play activities, breakfast served by 8:00 a.m., and children are transported to Twinsburg City Schools by Twinsburg City buses.

We also offer full **"FUN DAYS"** (with daily planned activities following the Cincy Curriculum) during holiday vacation time, snow days, and other days the schools are closed. * Field Trips or special events may be planned for these days which may require an additional fee. Breakfast, lunch and an afternoon snack is included during Fun Days.
