Travel Advisory

Families & Staff,

In an effort to keep our center a safe and healthy environment, we are closely following all updates from the State of Ohio and CDC regarding COVID-19. At this time, the State of Ohio has initiated a travel advisory due to COVID-19 (<https://coronavirus.ohio.gov>). The current travel advisory states that those entering Ohio after travel to states reporting positive testing rates of 15% or higher for COVID-19 are advised to self-quarantine for 14 days. To view an up to date list of these States, please visit the State of Ohio website or speak with the administration team.

Creative Early Learning Center is following this guidance from the State of Ohio and will be requiring any child or staff member to remain home for 14-days after returning home from travel to a location warranting a self-quarantine period.

If you have travel plans to a location that currently warrants a self-quarantine period, please speak with our administration team and complete a travel advisory form.

Stay Well,

Debbie DePaul
President
Creative Early Learning Center

Travel Advisory From

Creative Early Learning Center is following this guidance from the State of Ohio and will be requiring any child or staff member to remain home for 14-days after returning home from travel to a location warranting a self-quarantine period.
